

For Immediate Release: December 17, 2015

## **Google to Visit Ideaventions Academy in Reston, Va.**

### **Ideaventions Academy Chosen as Google Expedition School**

### **Students to Go On a Virtual Field Trip Across the Globe**

**Thursday, January 7, 2015**

**RESTON, Va.-** [Ideaventions Academy](#) for Math and Science, a private STEM school for 4<sup>th</sup> to 8<sup>th</sup> grade students in Reston, Va., has been selected to participate in the [Google Expeditions](#) Pioneer Program.

Google Expeditions is a new product that allows teachers to take their classrooms on virtual field trips and bring abstract concepts to life through Google Cardboard, a virtual reality viewer made almost entirely of cardboard. The Google Expeditions Team will visit Ideaventions Academy on January 7, 2016 to distribute the Expedition kits, train teachers and take students on a virtual field trip. The teachers will offer 18 lessons demonstrating Expeditions throughout the day, based around the theme of the day: International Extravaganza.

###

[Ideaventions Academy](#) for Mathematics and Science is a private school for 4<sup>th</sup>-8<sup>th</sup> grade students gifted in mathematics or sciences. The Academy is geared to active learners with a passion for science and mathematics. The Academy provides a warm and comfortable learning environment with small class sizes and a hands-on, challenging curriculum.

Ideaventions Academy provides children an inspiring environment to grow, thrive and explore.
